

# Safe Standard® – Terms of Use

1. **Product Type** The Safe Standard® Documentation Pack consists of digital templates (PDF files). The templates do not constitute a license, ID verification, legal certification, or e-signature service. All documents are for manual use only.
2. **Permitted Use** You may use the templates for your own rentals, in any country, without limitation in time or number of rentals. You may customize the templates for your own operational needs.
3. **Prohibited Use** You may not: share, publish, upload, email, or distribute the templates; resell, sublicense, or include them in any commercial product; offer them as part of a service or platform; or post them publicly online.
4. **Country Annex Requirement** Download the correct Country Annex before each rental. If a country is missing, Safe Standard® will add it on request.
5. **Legal Responsibility** All contracts created with the templates are private agreements. Nordlöf Nordic is not a party to any rental, dispute, or claim. Users are responsible for correct use and country compliance.
6. **Refunds** Digital downloads are non-refundable once delivered.
7. **Intellectual Property** All templates and Annexes are copyrighted. Unauthorized distribution or resale is prohibited.
